## Horror in the Woods

### New Moon Vamps Vampires & Werewolves

as well as ghouls, goblins and GUYS this weekend as we celebrate Halloween at Jones Pond with **Horror in the Woods!** We still have a few tent sites available, but we anticipate a sold out crowd for one of the

most popular weekends of the season.

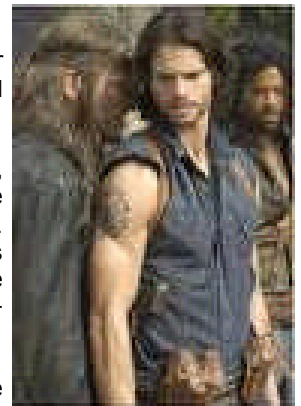

We are expecting everything from beads and bangles to vampires and vixens 'cause we know how creative our campers can get at Halloween. So, you won't want to miss it.

The weekend begins with our **MEGA BUCKS SUPER BINGO** at 8:30pm. All year long we have been setting aside a percentage from the previous games to give everyone a chance at Big Bucks! This is the final BINGO of the season with a MEGA JACKPOT for the final Cover-All Game.

Afterwards, you can dance to the hot music of VJ Dennis at our **HORNY DEVIL DISCO** and also warm your blood with Todd and Kurt at our **Hell-Cats Campfire**.

Saturday is a day to take a hike, enjoy the crisp fall air and the natural settings of Jones Pond. We know those hot glue guns will also be fired up to put the finishing touches on your costume for the big party.

Owners, Doug and Steve will be holding a Seasonal Event Planning meeting for 2012 at 2pm in the Barn. All seasonal campers are invited and encouraged to attend.

At 10pm the big Halloween bash begins in the barn with **HORROR IN THE WOODS**, featuring the hottest dance music and our Annual Costume Contest at Midnight. First and second place winners will be chosen in two categories; seasonal campers and weekend campers.

See you there!!

## B-I-N-G-O in the Barn

### Ask Dr. Jones

Dear Dr. Jones:

My new boyfriend and I are going to Jones Pond for their Halloween weekend and we are having an argument over our costumes. My boyfriend is a big, hairy muscular man and he insists on going in Drag. He even wants to shave his chest and his sexy beard. I am not sure how I will feel seeing him in a dress and I am afraid it might hurt our relationship Help!!!!

Dis-Dressed in Tonawanda

Dear Dis-Dressed:

Ok,... first of all, if a Halloween costume might hurt your relationship, then you better take a hard look at how secure you are in your relationship. Wearing a dress for Halloween is part of the fun of being different for a night or two. Even in Shakespeare's Day, men played women's roles in the theater, and this is just a night of "theatrics". Perhaps you should consider doing the same thing and making it a hot fantasy and not only dress each other but undress each other.

If he is as hot and muscular as you say, it's doubtful that he is going to have a career as a Drag Queen. Have fun and let your hair down, or in your case....let your boyfriend pile on the big hair and pancake for one night!

If he starts hanging out at the truck stops in a brazier and panties, then you can worry, but my bet is he is just going to have a good time
