As many of you know, we have some adorable kittens that joined the Jones Pond Family this summer. We have managed to tame four of the babies and they desperately need a loving home. They are very loving, cuddly and playful. They are ready to adopt, but still need their shots and neutering/spaying. If you or anyone you know is looking for a wonderful pet, please let us know. Also, if anyone has a connection to a no-kill adoption center, please contact us.

Last Weekend

It's Not Goodbye...but See You Next Year!

Yes... it's time to say goodbye for the summer and what an incredible summer it has been at Jones Pond Campground. It seems to get better every year. We were happy to see so many of our dedicated Seasonal Campers who helped make this year even better with the spectacular Block Parties and Events. The word is definitely out about Jones Pond. We saw a record number of new members this season and we look forward to their return next season along with many more.

Kudos and a huge thanks to everyone who helped with the charity events and to the Blocks that donated so graciously. Your dedication helped garner the largest donation ever received by the Allegheny Cancer Services (\$3,800). The pride of Jones Pond has never been more evident.

This weekend is bitter-sweet as we close up our campers, pack up our perishables and head home for the winter. However, we still have one more chance to say goodbye at our Friday and Saturday night **Last Dance and Campfires**. We will also be sharing a **Clean-Out-the-Fridge Potluck Dinner** on Saturday at 6pm. Just be sure and check those expiration dates so every one leaves with a good feeling and the only knots in our stomachs are from emotion.

As 2011 comes to an end, we wish each of you a safe, warm and healthy winter and look forward to seeing you as Spring awakens at the Pond in 2012!
